Size chart maternity and nursing

All our items are designed to offer room for your growing belly.
All of our tops have slightly longer fronts to keep your belly covered for the duration of your pregnancy.

- A: Length: Measure from your heel to your crown. Don't forget to take off your shoes and look straight ahead.
- B: Chest size: Measure the circumference of your breasts where they are largest, while wearing a good fitting bra.
- C: Below the chest: Measure the circumference of your chest just below your breasts.
- D: Hip size: Put your feet together and measure your hips where they are widest.
- E: Inseam length: Measure the inseam of your leg from the crotch straight down to the ground.
